Celebration Packages in The Garret

Storyhouse is Chester's multi award-winning £37m theatre, cinema and library. Home to an exciting year-round programme of theatre, comedy, music and literature events, a raft of creative festivals and over one million visits since we opened the doors, over a year ago. The Garret located in Storyhouse's loft showcases unique panoramic views across Chester's skyline.

A delicious menu is prepared by chefs from Storyhouse's restaurant The Kitchen, and our resident DJ will provide a fantastic soundtrack packed with festive favourites. Plus options to book performers, storytellers, live music and acoustic acts against the backdrop of Chester's only theatre and most creative venue.
