

## I'm Still Standing

You could never know what it's like  
Your blood like winter freezes just like ice  
And there's a cold lonely light that shines from  
you  
You'll wind up like the wreck you hide behind that  
mask you use

And did you think this fool could never win  
Well look at me, I'm coming back again  
I got a taste of love in a simple way  
And if you need to know while I'm still standing  
you just fade away

**Don't you know I'm still standing better than I  
ever did**

**Looking like a true survivor, feeling like a little  
kid**

**I'm still standing after all this time**

**Picking up the pieces of my life without you on  
my mind**

**I'm still standing yeah yeah yeah**

**I'm still standing yeah yeah yeah**

Once I never could hope to win  
You starting down the road leaving me again  
The threats you made were meant to cut me  
down  
And if our love was just a circus you'd be a clown  
by now

You know I'm still standing better than I ever did  
Looking like a true survivor, feeling like a little kid  
I'm still standing after all this time  
Picking up the pieces of my life without you on  
my mind

I'm still standing yeah yeah yeah

I'm still standing yeah yeah yeah

**Don't you know I'm still standing better than I  
ever did**

**Looking like a true survivor, feeling like a little  
kid**

**I'm still standing after all this time**

**Picking up the pieces of my life without you on  
my mind**

**I'm still standing yeah yeah yeah**

**I'm still standing yeah yeah yeah**

**I'm still standing yeah yeah yeah**

**I'm still standing**

## I'll Stand By You

Oh, why you look so sad?  
Tears are in your eyes  
Come on and come to me now  
Don't be ashamed to cry  
Let me see you through  
'cause I've seen the dark side too  
When the night falls on you  
You don't know what to do  
Nothing you confess  
Could make me love you less

**I'll stand by you**

**I'll stand by you**

**Won't let nobody hurt you**

**I'll stand by you**

So if you're mad, get mad  
Don't hold it all inside  
Come on and talk to me now  
Hey, what you got to hide?  
I get angry too  
Well I'm a lot like you  
When you're standing at the crossroads  
And don't know which path to choose  
Let me come along  
'cause even if you're wrong

**I'll stand by you**

**I'll stand by you**

**Won't let nobody hurt you**

**I'll stand by you**

**Take me in, into your darkest hour**

**And I'll never desert you**

**I'll stand by you**

And when, when the night falls on you, baby  
You're feeling all alone  
You won't be on your own

**I'll stand by you**

**I'll stand by you**

**Won't let nobody hurt you**

**I'll stand by you**

**Take me in, into your darkest hour**

**And I'll never desert you**

**I'll stand by you**

**I'll stand by you**

**Won't let nobody hurt you**

**I'll stand by you**

## I Wanna Hold Your Hand

Oh yeah, I'll tell you something  
I think you'll understand  
When I'll say that something  
I wanna hold your hand  
I wanna hold your hand  
I wanna hold your hand

Oh please, say to me  
You'll let me be your man  
And please, say to me  
You'll let me hold your hand  
I'll let me hold your hand  
I wanna hold your hand

And when I touch you I feel happy inside  
It's such a feeling that my love  
I can't hide  
I can't hide  
I can't hide

Yeah, you've got that something  
I think you'll understand  
When I'll say that something  
I wanna hold your hand  
I wanna hold your hand  
I wanna hold your hand

And when I touch you I feel happy inside  
It's such a feeling that my love  
I can't hide  
I can't hide  
I can't hide

Yeah, you've got that something  
I think you'll understand  
When I feel that something  
I wanna hold your hand  
I wanna hold your hand  
I wanna hold your hand  
I wanna hold your hand

## Close to You

Why do birds suddenly appear  
Every time you are near?  
Just like me, they long to be  
Close to you

Why do stars fall down from the sky  
Every time you walk by?  
Just like me, they long to be  
Close to you

On the day that you were born the angels got  
together  
And decided to create a dream come true  
So they sprinkled moon dust in your hair of gold  
and starlight in your eyes of blue

That is why all the girls in town  
Follow you all around  
Just like me, they long to be  
Close to you

On the day that you were born the angels got  
together  
And decided to create a dream come true  
So they sprinkled moon dust in your hair of gold  
and starlight in your eyes of blue

That is why all the girls in town  
Follow you all around  
Just like me, they long to be  
Close to you  
Just like me, they long to be  
Close to you

Wa, close to you  
Wa, close to you  
Ha, close to you  
La, close to you

Just like me, they long to be  
Close to you

## All By Myself

When I was young  
I never needed anyone  
And making love was just for fun  
Those days are gone

Livin' alone  
I think of all the friends I've known  
But when I dial the telephone  
Nobody's home

**All by myself, don't wanna be  
All by myself anymore**

Hard to be sure  
Sometimes I feel so insecure  
And love so distant and obscure  
Remains the cure

**All by myself, don't wanna be  
All by myself anymore**

**All by myself, don't wanna be  
All by myself anymore**

When I was young  
I never needed anyone  
And making love was just for fun  
Those days are gone

**All by myself, don't wanna be  
All by myself anymore**

## I Will Survive

At first I was afraid, I was petrified  
Kept thinking I could never live without you by  
my side  
But then I spent so many nights thinking how you  
did me wrong  
And I grew strong  
And I learned how to get along

And so you're back  
From outer space  
I just walked in to find you here with that sad  
look upon your face

I should have changed that stupid lock, I should  
have made you leave your key  
If I'd known for just one second you'd be back to  
bother me

Go on now, go, walk out the door  
Just turn around now  
'Cause you're not welcome anymore  
Weren't you the one who tried to hurt me with  
goodbye  
Do you think I'd crumble  
Did you think I'd lay down and die?

**Oh no, not I, I will survive  
Oh, as long as I know how to love, I know I'll  
stay alive  
I've got all my life to live  
And I've got all my love to give and I'll survive  
I will survive, hey, hey**

It took all the strength I had not to fall apart  
Kept trying hard to mend the pieces of my broken  
heart  
And I spent oh-so many nights just feeling sorry  
for myself  
I used to cry  
But now I hold my head up high

And you see me, somebody new  
I'm not that chained-up little person still in love  
with you  
And so you felt like dropping in and just expect  
me to be free  
Well, now I'm saving all my lovin' for someone  
who's loving me

Go on now, go, walk out the door  
Just turn around now  
'Cause you're not welcome anymore  
Weren't you the one who tried to break me with  
goodbye  
Do you think I'd crumble  
Did you think I'd lay down and die?

**Oh no, not I, I will survive  
Oh, as long as I know how to love, I know I'll  
stay alive  
I've got all my life to live  
And I've got all my love to give and I'll survive  
I will survive  
Oh**

## **I Can See Clearly Now**

I can see clearly now the rain is gone  
I can see all obstacles in my way  
Gone are the dark clouds that had me blind

**It's gonna be a bright (bright)  
Bright (bright) sunny day  
It's gonna be a bright (bright)  
Bright (bright) sunny day**

I think I can make it now the pain is gone  
All of the bad feelings have disappeared  
Here is that rainbow I've been praying for

**It's gonna be a bright (bright)  
Bright (bright) sunny day**

Look all around, there's nothing but blue skies  
Look straight ahead, there's nothing but blue  
skies

I can see clearly now the rain is gone  
I can see all obstacles in my way  
Here is that rainbow I've been praying for

**It's gonna be a bright (bright)  
Bright (bright) sunny day**

**It's gonna be a bright (bright)  
Bright (bright) sunny day**

**It's going to be a bright (bright)  
Bright (bright) sunny day**

**It's gonna be a bright (bright)  
Bright (bright) sunny day**
