

Fernando

Can you hear the drums Fernando?
I remember long ago another starry night like this
In the firelight Fernando
You were humming to yourself and softly
strumming your guitar
I could hear the distant drums
And sounds of bugle calls were coming from afar

They were closer now Fernando
Every hour every minute seemed to last eternally
I was so afraid Fernando
We were young and full of life and none of us
prepared to die, And I'm not ashamed to say
The roar of guns and cannons almost made me
cry

**There was something in the air that night
The stars were bright, Fernando
They were shining there for you and me
For liberty, Fernando
Though we never thought that we could lose
There's no regret
If I had to do the same again
I would, my friend, Fernando
If I had to do the same again
I would, my friend, Fernando**

Now we're old and grey Fernando
Since many years I haven't seen a rifle in your
hand
Can you hear the drums Fernando?
Do you still recall the fateful night we crossed the
Rio Grande? I can see it in your eyes
How proud you were to fight for freedom in this
land

**There was something in the air that night
The stars were bright, Fernando
They were shining there for you and me
For liberty, Fernando
Though we never thought that we could lose
There's no regret
If I had to do the same again
I would, my friend, Fernando**

**There was something in the air that night
The stars were bright, Fernando
They were shining there for you and me
For liberty, Fernando
Though we never thought that we could lose**

**There's no regret
If I had to do the same again
I would, my friend, Fernando
Yes, if I had to do the same again
I would, my friend, Fernando**

Knowing Me, Knowing You

No more carefree laughter
Silence ever after
Walking through an empty house
Tears in my eyes
This is where the story ends
This is goodbye

**Knowing me, knowing you (a-ha)
There is nothing we can do
Knowing me, knowing you (a-ha)
We just have to face it
This time we're through
Breaking up is never easy, I know
But I have to go
Knowing me, knowing you
It's the best I can do**

Memories, good days, bad days
They'll be with me always
In these old familiar rooms
Children would play
Now there's only emptiness
Nothing to say

**Knowing me, knowing you (a-ha)
There is nothing we can do
Knowing me, knowing you (a-ha)
We just have to face it
This time we're through
Breaking up is never easy, I know
But I have to go
Knowing me, knowing you
It's the best I can do**

**Knowing me, knowing you (a-ha)
There is nothing we can do
Knowing me, knowing you (a-ha)
We just have to face it
This time we're through
Breaking up is never easy, I know
But I have to go
Knowing me, knowing you
It's the best I can do**

One of Us

They passed me by
All of those great romances
You were, I felt, robbing me
Of my rightful chances
My picture clear
Everything seemed so easy
And so I dealt you the blow
One of us had to go
Now it's different, I want you to know

**One of us is crying, one of us is lying
In a lonely bed
Staring at the ceiling
Wishing she was somewhere else instead
One of us is lonely, one of us feels lonely
Waiting for a call
Sorry for herself, feeling stupid, feeling small
Wishing she had never left at all**

I saw myself
As a concealed attraction
I felt you kept me away
From the heat and the action
Just like a child
Stubborn and misconceiving
That's how I started the show
One of us had to go
Now I'm changed and I want you to know

**One of us is crying, one of us is lying
In a lonely bed
Staring at the ceiling
Wishing she was somewhere else instead
One of us is lonely, one of us feels lonely
Waiting for a call
Sorry for herself, feeling stupid, feeling small
Wishing she had never left at all**

**One of us is crying, one of us is lying
In a lonely bed
Staring at the ceiling
Wishing she was somewhere else instead
One of us is lonely, one of us feels lonely
Waiting for a call
Sorry for herself, feeling stupid, feeling small
Wishing she had never left at all
Never left at all**

Super Trouper

**Super trouper beams are gonna blind me
But I won't feel blue like I always do
'Cause somewhere in the crowd there's you**

I was sick and tired of everything
When I called you last night from Glasgow
All I do is eat and sleep and sing
Wishing every show was the last show
So imagine I was glad to hear you're coming
Suddenly I feel all right
And it's gonna be so different
When I'm on the stage tonight

**Tonight the super trouper lights are gonna find
me, shining like the sun
Smiling, having fun, feeling like a number one
Tonight the super trouper beams are gonna
blind me but I won't feel blue, like I always do
'Cause somewhere in the crowd there's you**

Facing twenty thousand of your friends
How can anyone be so lonely
Part of a success that never ends
Still I'm thinking about you only
There are moments when I think I'm going crazy
But it's gonna be alright
Everything will be so different
When I'm on the stage tonight

**Tonight the super trouper lights are gonna find
me, shining like the sun
Smiling, having fun, feeling like a number one
Tonight the super trouper beams are gonna
blind me but I won't feel blue, like I always do
'Cause somewhere in the crowd there's you**

So I'll be there when you arrive
The sight of you will prove to me I'm still alive
And when you take me in your arms
And hold me tight
I know it's gonna mean so much tonight

**Tonight the super trouper lights are gonna find
me, shining like the sun
Smiling, having fun, feeling like a number one
Tonight the super trouper beams are gonna
blind me but I won't feel blue, like I always do
'Cause somewhere in the crowd there's you**

Take A Chance On Me

If you change your mind, I'm the first in line
Honey I'm still free, take a chance on me
If you need me, let me know, gonna be around
If you've got no place to go, if you're feeling
down
If you're all alone when the pretty birds have
flown
Honey I'm still free, take a chance on me
Gonna do my very best and it ain't no lie
If you put me to the test, if you let me try
Take a chance on me, take a chance on me

We can go dancing, we can go walking, as long as
we're together
Listen to some music, maybe just talking, get to
know you better, 'cos you know I've got
So much that I wanna do, when I dream I'm alone
with you, it's magic
You want me to leave it there, afraid of a love
affair but I think you know that I can't let go

If you change your mind, I'm the first in line
Honey I'm still free, take a chance on me
If you need me, let me know, gonna be around
If you've got no place to go, if you're feeling
down
If you're all alone when the pretty birds have
flown
Honey I'm still free, take a chance on me
Gonna do my very best and it ain't no lie
If you put me to the test, if you let me try
Take a chance on me, take a chance on me

Oh you can take your time baby, I'm in no hurry,
know I'm gonna get you
You don't wanna hurt me, baby don't worry, I
ain't gonna let you, let me tell you now
My love is strong enough to last when things are
rough, it's magic
You say that I waste my time but I can't get you
off my mind, no I can't let go, 'cos I love you so

If you change your mind, I'm the first in line
Honey I'm still free, take a chance on me
If you need me, let me know, gonna be around
If you've got no place to go, if you're feeling
down
If you're all alone when the pretty birds have
flown

Honey I'm still free, take a chance on me
Gonna do my very best and it ain't no lie
If you put me to the test, if you let me try
Take a chance on me, take a chance on me

Lay All Your Love on Me

I wasn't jealous before we met
Now every woman I see is a potential threat
And I'm possessive, it isn't nice
You've heard me saying that smoking was my
only vice
But now it isn't true, now everything is new
And all I've learned has overturned
I beg of you...

**Don't go wasting your emotion
Lay all your love on me
Don't go sharing your devotion
Lay all your love on me**

It was like shooting a sitting duck
A little small talk, a smile and baby I was stuck
I still don't know what you've done with me
A grown-up woman should never fall so easily
I feel a kind of fear, when I don't have you near
Unsatisfied, I skip my pride
I beg you dear...

**Don't go wasting your emotion
Lay all your love on me
Don't go sharing your devotion
Lay all your love on me**

I've had a few little love affairs
They didn't last very long and they've been pretty
scarce
I used to think I was sensible
It makes the truth even more incomprehensible
'Cause everything is new, and everything is you
And all I've learned has overturned
What can I do...

**Don't go wasting your emotion
Lay all your love on me
Don't go sharing your devotion
Lay all your love on me**

Thank You for the Music

I'm nothing special, in fact I'm a bit of a bore
If I tell a joke, you've probably heard it before
But I have a talent, a wonderful thing
'Cause everyone listens when I start to sing
I'm so grateful and proud
All I want is to sing it out loud

So I say

**Thank you for the music, the songs I'm singing
Thanks for all the joy they're bringing
Who can live without it? I ask in all honesty
What would life be?
Without a song or a dance, what are we?
So I say thank you for the music
For giving it to me**

Mother says I was a dancer before I could walk
She says I began to sing long before I could talk
And I've often wondered, how did it all start?
Who found out that nothing can capture a heart
Like a melody can?
Well, whoever it was, I'm a fan

So I say

**Thank you for the music, the songs I'm singing
Thanks for all the joy they're bringing
Who can live without it? I ask in all honesty
What would life be?
Without a song or a dance what are we?
So I say thank you for the music
For giving it to me**

I've been so lucky, I am the girl with golden hair
I wanna sing it out to everybody
What a joy, what a life, what a chance

**Thank you for the music, the songs I'm singing
Thanks for all the joy they're bringing
Who can live without it, I ask in all honesty
What would life be?
Without a song or a dance what are we?
So I say thank you for the music
For giving it to me**

So I say

Thank you for the music, for giving it to me
